

** Volunteer Opportunities at the Peace Center **

Did you know that for more than 20 years
the Oxford Citizens for Peace & Justice has maintained
a peace educational resource center and office in Oxford?

OCPJ is a community organization founded on these general principles:

We seek a world free of war and the threat of war.

We seek a society with full participation, equity, and justice for all.

We seek a community where every person's potential may be fulfilled.

We seek an earth restored.

OCPJ puts these principles in practice through public education, advocacy, and action.

With goals like these, you can see there's a lot of work to do!
